

## HOW TO TAKE ONLINE EXAM TEST

1. Visit exam portal through your school website or browse <https://app.examsapp.net> using any of your internet browser (e.g: Firefox, Microsoft Edge, Chrome, etc). When the page loaded, click or tap on the link button '**Login to participate**'

2. Enter your school **App ID**, **User ID** and **Password** and click/tap on the '**Log In**' button. Once your login is successful, click/tap on the '**Continue**' button.

3. On your dashboard page, click/tap on the 'My Exams' link to view all the exam tests you will take with the dates and time for the respective exams. Click/tap on the 'Write Exam' link to view all the exam tests due and available for you to take immediately.

4. Once the Due exam tests list page loaded, click/tap on the **'Write Exam' pen button** on any of the exam test list to launch the exam for you to start taking immediately.

Good luck!
